

# Latest News from Photovoltaic Energy Storage Forum

Will the global solar PV market remain strong in 2026?

The fundamentals of the global solar PV market will remain strong in 2026 despite the challenges the sector faced in 2025, according to new analysis from Wood Mackenzie. Indian rooftop solar provider Fujiyama Power has announced plans to commission its 1GW solar cell manufacturing plant in Dadri, Uttar Pradesh.

Could solar power be a 'bedfellow' for Europe?

Independent power producer (IPP) Atlas Renewable Energy has signed a solar PV power purchase agreement for a 128MWp plant in Colombia. PV Talk: 'BESS and solar are the perfect bedfellows,' says Natasha Luther-Jones, about the potential for solar PV and BESS in Europe.

What is PV Magazine International?

pv magazine International - News from the photovoltaic and storage industry: market trends, technological advancements, expert commentary, and more.

Is Oxford PV expanding manufacturing beyond Germany?

He said Oxford PV is expanding manufacturing beyond Germany while focusing on global licensing partnerships. Latest news on the solar energy and photovoltaics industry in the USA: installations, manufacturing, markets & policy, and technology.

Get the latest updates on battery tech, grid-scale storage & green energy - with trusted news, trends & expert commentary

Latest news on energy storage projects, BESS, capacity expansion, and regulatory updates across Europe, US & Canada, Latin America, and Asia Pacific. Discover how energy storage ...

Check out our selection of solar energy news from all over the globe. All the top recent events in solar thermal and photovoltaic market. The latest research, innovative technologies, ...

During the 14th Five-Year Plan period, China's energy storage technology mix witnessed noticeable changes where pumped hydro storage accounted for less than 40% for the first time while the new ...

The event brought together more than 300 partners and industry experts, including representatives from SolarPower Europe, TÜV, and DEKRA, to explore emerging technologies and ...

The number one source for in-depth and up-to-the-minute news, technical articles, blogs and reviews on the international solar PV supply chain.

Latest news on the solar energy and photovoltaics industry in the USA: installations, manufacturing, markets & policy, and technology.

## **Latest News from Photovoltaic Energy Storage Forum**

Energy-Storage.news Premium speaks to Daniel Dedrick, US-based BESS developer and operator, GridStor's CTO, about the company's strategies for navigating FEOC and Section 301 tariffs.

The latest updates in energy storage: innovation, markets, tech & industry insights

News from the photovoltaic and storage industry: market trends, technological advancements, expert commentary, and more.
