

LONGi launched its mono-PERC modules in 2016, featuring integrated PERC technology on monocrystalline silicon and low light degradation, and its cell efficiency has increased from 21% to ...

LONGi is more than a product supplier, offering project consultation, design, installation, procurement, commissioning, operation and maintenance, and financing expertise. LONGi's network of R& D ...

LONGI Solar focuses on manufacturing monocrystalline PV cells and panels. The company also offers building-integrated photovoltaic solutions (BIPVs) and alkaline water ...

LONGi produces a wide variety of quality, cost-effective solar panels for residential, commercial and utility-scale solar installations. The current models are the Hi-MO 4 and Hi-MO 5 ...

LONGi's technological and manufacturing leadership in solar wafers, cells and modules underscores our commitment to helping accelerate the clean energy transition. By offering high-quality, reliable ...

LONGI Solar is a global leader in the production of monocrystalline solar panels, supplying high-efficiency modules for commercial, industrial, and infrastructure projects worldwide.

Jinko Model Number Longi Himo10 650W-665W Product name Longi Himo10 650W-665W Type PERC, Half Cell, Bifacial Keyword Longi Himo10 650W solar panels Connector MC 4 Brand Name Longi ...

With manufacturing facilities and sales offices in more than 150 countries and regions worldwide, including Asia, America, Australia, and the Middle East, Longi has established a strong ...

LONGi Solar are one of the world-leading mono-crystalline module manufacturers. We stock LONGi 375w to LONGi 500w solar panels and beyond, with datasheets accessible via our product pages ...
