What Is A Base Station Radio System?Base Station CB RadioBase Station CB AntennaHigh Quality CoaxOptionalA Fairly Common Base Station Setup Might Look Like The FollowingA base station is generally a radio system that is set up in a fixed location such as house or building. Since a fixed location allows one to install a much taller antenna than an antenna on a vehicle, you can get significantly more potential range. Remember, the longer the CB antenna, the more potential range that you will have. The basic componen...See more on wearecb Tractor Supply Co.Shop Fox D2260A-Mini Mobile Base at Tractor Supply CoWith a 1000 pound capacity, the D2260A Mini Mobile Bases from Shop Fox are designed to give you a stable and mobile platform upon which to mount machinery and equipment having a variety of base ...
