

Photovoltaic power generation and energy storage won the bid

Topsun Energy has emerged as the winner of POWERGRID Corporation of India's (POWERGRID) engineering, procurement, and construction auction for a 2.1 MW off-grid solar ...

Madhya Pradesh has achieved a record low in India's renewable energy pricing with a 600 MW solar-plus-storage project. Ceigall India Ltd and ACME Solar won the bid at Rs 2.7/unit and ...

China Energy Engineering Southwest Institute, Hunan Thermal Power, Construction Group, and Gezhouba Corporation have won the bid for the 650 MW photovoltaic EPC general ...

Recently, Energy China North China Institute successfully won the bid for the EPC general contracting project of the Three Gorges Energy Xiyang 300 MW photovoltaic + energy storage power generation ...

Renewable energy developer and independent power producer (IPP) Greenvolt won 1.2GW of 17-year contracts for six battery energy storage system (BESS) projects it bid in, the company revealed on ...

Reliance Infrastructure, JBM Renewables, PNC Infratech, SAEL Industries, and Navayuga Engineering Company have won NHPC 's 1.2 GW auction (Tranche-XI) to set up interstate ...

The Solar Energy Corporation of India (SECI) has successfully completed the auction for its 2,000 MW solar power projects integrated with 1,000 MW/4,000 MWh energy storage systems ...

Amazon's winning bid, which won court approval on Wednesday, was for \$83 million. It's an unusual move for Amazon; the hyperscaler has almost exclusively secured energy via power ...

Solar Energy Corporation of India (SECI) has concluded its Firm and Dispatchable Renewable Energy (FDRE) Tranche-VII tender auction, awarding 1.2 GW of capacity with 4.8 GWh ...

Solar Energy Corporation of India (SECI) has revealed the results of a reverse auction for solar PV paired with battery storage that will connect to the Inter State Transmission System (ISTS).

Photovoltaic power generation and energy storage won the bid
