

Harness the power of the sun with our advanced Solar Battery Storage systems. Designed to store excess energy generated from your solar panels, these rechargeable batteries ensure you have power when you ...

Solar Eclipse is an intelligent electronic system that stores excess electricity produced by the traditional photovoltaic system. Not only, it charges any kind of regular batteries (lead, gel, lithium, etc.) and then re ...

Ensure uninterrupted power with our cutting-edge solar battery storage systems, designed for both residential and commercial properties in Sri Lanka. Our solutions use the latest energy storage technology, offering ...

South African manufacturer of microgrid energy management cabinets, data center edge computing cabinets, off-grid energy cabinets, mining explosion-proof battery cabinets, and mobile ...

We take immense pride in being one of the leading Battery Energy Storage Systems Manufacturers in Sri Lanka. Our cutting-edge BESS technology in Sri Lanka is designed to ...

Your one-stop solar shop for all your renewable energy needs. Based in Sri Lanka, we are a leading wholesale solar equipment provider with a steadfast commitment to sustainable energy solutions.

By partnering with global tier-one manufacturers, as well as selected local suppliers, we are able to offer high-quality and durable solar power solutions in Sri Lanka at the most affordable prices.

At Alfa Energy Tech (Pvt) Ltd, we offer a wide range of reliable, high-performance battery backup systems tailored to meet the power needs of various applications.

BatteryLab Pvt Ltd specializes in providing high-capacity lithium-ion battery solutions for home energy storage systems, highlighting its expertise in battery reconditioning and advanced technology.

Customized battery cabinets can manufacture in Electro Galvanized (EG), Stainless Steel (SS), Zinalume (Alu Zinc), Aluminum & HDG (Hot Dipped Galvanized) materials. We can manufacture outdoor battery cabinets ...
