

Knocking on the bottom of the 2 piece will cause an exclamation point to appear above Snake's hand, and will trigger the Alert Mode if any guards are present in the area.

If there's an issue and the locker attendant needs to open the locker for you, they may ask you to describe what's inside before opening it. Also, be prepared to show your ID to confirm it's your ...

If your locker just won't open, try it again with the last number being five before or after your "official" last number. Sometimes the older locks get, the shakier they get in their requirements ...

They are not lost, they just don't appear in your starting deck. You can obtain them as you progress through the map.

In some cases, they can open their locker using the same swipe card they used to access the building. And, once they've locked up, they can feel confident their belongings are well secured.

When renters scan the card to open the locker and retrieve their belongings, a rental fee is deducted automatically upon opening. If the credential balance is low or exhausted, the locker will not open ...

Behind the walls of any prison, language takes on a life of its own. This prison slang glossary decodes the unique words and phrases inmates use to navigate daily life behind bars. Can you translate this? ...

In this situation it is easy to see that every locker whose number is a perfect square will be open at the end of the exercise, and all other lockers will be closed.

Tiny Hints Bigger Hints A Little More of A Hint ... A Full Answer Further Questions Here's a question from 2004: Clearly this is intended to be solved by trying a small example and extending it, rather than by seeing it all at once. There were already several complete solutions in the archive, but I chose to offer some suggestions to help Michael discover a solution himself, rather than just give a link: Michael may not yet be ful...
