

## Will photovoltaic panel salesmen go to jail

One of the most significant reasons customers file complaints or lawsuits against solar companies is misleading sales tactics and overpromises made during the sales process.

Emanuel Minto, 91, stands outside his Philadelphia home, where he says a salesman created an email address and then forged his name on an electronic contract for solar panels.

Not giving you a chance to see the full terms of the contract before signing, which hide the terms and costs of the transactions - and deprive you of your rights to see the full terms of the contracts before ...

If you live in a house, you've probably gotten a knock at your door from a solar panel salesman. These salesmen often make promises about all the benefits of going solar, but not all ...

SARASOTA, Fla. - The Sarasota County Sheriff's Office has arrested 25-year-old Robert Kovacs-Strada, a door-to-door solar panel salesman for battery.

While you are browsing solar power companies, one of them may offer to install a solar panel or solar roof in your home for a small cost or even for free. It's an intentionally misleading...

In late 2023 alone, more than 100 residential solar dealers and installers in the U.S. declared bankruptcy, according to Roth Capital Partners--six times the number in the previous three ...

Colette Wildman decided to install solar panels on her roof several years ago to save money on her electric bill. The Carver resident said a salesman knocked on her door and talked up ...

Subsequent offenses can be elevated to a felony, carrying penalties of up to five years in prison and a \$5,000 fine. For consumers, verifying a solar salesperson's credentials is an important ...

Because scammers often rely on high-pressure sales tactics and misleading claims about solar incentives, many people discover too late that their solar panel contract locks them into a ...
